2020 UConn Orthodontics Symposium

Ravi Nanda Lecture
April 27th – 28th

Charles J. Burstone Lecture
April 29th

The North House, 1 Nod Rd., Avon, CT

Keynote Speakers

NANDA LECTURE
Dr. Carlos Flores-Mir
Professor & Program Director,
University of Alberta

• Can we really predict facial growth management?
• To treat or not to treat?
• How much do incisors procline during Class II correction?
• Tips for clinical management of impacted teeth.

BURSTONE LECTURE
Dr. Won Moon
Program Director & Endowed Chair, UCLA

• Non-surgical correction of extreme vertical excess and collapse.
• Orthopedic correction of Class II & Class III cases by combining functional appliances & facemasks with micro-implants.
• Non-surgical transverse correction with midfacial skeletal expanders.

The target audience for this symposium is orthodontists, and dental residents. As a result of attending this symposium, participants should be able to:

• Discuss clinical management of impacted teeth
• Discuss how much do incisors procline during Class II correction
• Understand orthopedic correction of Class II and Class III cases by combining Functional Appliances and Facemasks with micro-implants.
• Discuss non-surgical transverse correction in both children and mature patients with Midfacial Skeletal Expanders
