

Research Resources

Students, residents, postdoctoral trainees and faculty at the UConn School of Dental Medicine (SDM) have access to a wide range of research resources through the School, UConn Health, and UConn Storrs campus.

Proposal Development Services

The SDM research community can access scientific editing and other proposal development services through arrangements at the School and University level. For scientific editing support, please contact Laura Didden at ldidden@uchc.edu. For proposal development services offered through the Office of the Vice-President for Research (OVPR), please see <https://ovpr.uconn.edu/services/research-development/services/>

Grantwriting Training and Resources

Periodic training on grantwriting for various types of grants is offered by the OVPR. For details, please see: <https://ovpr.uconn.edu/services/research-development/grantwriting/>

Statistical Support

For statistical support for dental residents in Master's degree programs, please contact Dr. Chia-Ling Kuo at kuo@uchc.edu

For all other statistical support needs for SDM students, residents, and faculty, assistance is available through the UConn Statistical Consulting Services, through one of the following options:

1. Free Walk-In (Virtual): For quick questions about statistical issues that can be handled in a 20 minute consulting session.
<https://statsconsulting.uconn.edu/walk-in-schedule/>
2. Free Ask Online: Alternatively, you can submit questions online using the submission form at the link below:
<https://statsconsulting.uconn.edu/ask-online-sdm/>
3. Fully Supported Project Engagement: If more in-depth assistance is needed, it will be supported by the SDM, if there is no funding available for the project. Please complete the form at the link below to request such assistance:
